ONE GREAT GEORGE STREET, WESTMINSTER, LONDON SW1P 3AA

CROSSRAIL'S 2015 TECHNICAL PAPERS COMPETITION WINNER'S PRESENTATIONS

This is an open event where the shortlisted finalists from the annual Crossrail Technical Papers Competition will present their papers.

The presentations will cover a variety of engineering and geotechnical topics relating to recent Crossrail design and construction works.

The Crossrail Technical Papers Competition runs annually and receives papers from a number of disciplines within a broad engineering and technical theme. It is open to all organisations currently or previously involved in the project, including designers, contractors, joint ventures and those working for Crossrail Limited.

Advance booking not required
